Welcome from the LPGA

It's hard to believe that nine years ago the Symetra Tour rolled into the South Bend community for the inaugural Four Winds Invitational. Since then, the event became a "must-play" on the Official Qualifying Tour of the LPGA, a stop to which players and staff members love returning each year. I'm excited to welcome the next chapter in the tournament's history as the tenth annual edition of the Four Winds Invitational moves to South Bend Country

Club - playing for the highest purse in tournament history!

The Four Winds Invitational has been filled with numerous highlights and memorable moments. In 2015, Canadian teenager Brooke Henderson announced her pending stardom by hoisting the trophy. A month after her win in South Bend, she won on the LPGA and is now the winningest Canadian in Men's or Women's professional golf history with 10 victories on Tour! In addition to Brooke, of the eight other champions that have been crowned in South Bend, six of them currently have membership on the LPGA Tour in 2021!

As a Tour, we are incredibly grateful for our wonderful relationship

with the Pokagon Band of Potawatomi Indians and Four Winds Casinos. We're also looking forward to developing a long-term relationship with South Bend Country Club. The membership and staff have been especially welcoming of the Symetra Tour and the inaugural playing of the tournament at their storied venue.

Lastly, the work the tournament and volunteer committee has done for the community and charity is beyond impressive, raising over \$700,000.00 for Beacon Health System and Beacon Children's Hospital from the tournament. On behalf of our players and the LPGA, it is amazing to witness the hard work from the event staff and volunteers on behalf of the community.

I'll end by promising another wonderful week of golf and fun. Enjoy the tournament!

Sincerely,
Mike Nichols

Bozhoo (hello) from the Pokagon Band

Greetings from the Pokagon Band of Potawatomi of Michigan and Indiana and welcome to the Four Winds Invitational.

For those of you not familiar with the Pokagon Band of Potawatomi Indians, we have lived in the region for hundreds of years and we are the only federally-recognized Indian Tribe in the State of Indiana. Hundreds of Pokagon Citizens reside in South Bend and we have close to 6,000 citizens that are members of our Tribe.

The Pokagon Band is one of the largest employers in the region and we own and operate three Four Winds Casinos in Michigan, and one in South Bend, Indiana as well as several other businesses through Mno-Bmadsen, which is our non-gaming economic development enterprise.

We have always felt it is very important to give back to the community. One of the ways we do that is through our sponsorship of the Four Winds Invitational. Despite the challenges of COVID-19, I am very pleased that the tournament has returned for its 10th year.

The previous tournaments were a great success and attracted fans from throughout the region. We are extremely pleased to continue our partnership with the LPGA Symetra Tour and excited for our new partnership with the South Bend Country Club.

In addition, we are very excited that this year's Four Winds Invitational will offer a \$200,000 purse, which matches or exceeds most of the tournaments on the LPGA Symetra Tour. To date we have offered over \$1 million in prize money, making the Four Winds Invitational one of the most popular events.

We are also very proud to have donated \$734,700 to Beacon Health System and Beacon Children's Hospital over the past nine years, using proceeds from the tournament. Proceeds from this year's tournament will be used by Beacon to acquire a Neonatal Quad Cad Transport Unit, which will help ensure the safe transport of premature infants as well as their entire Specialty Care Team.

We hope you enjoy all of the action of the Four Winds Invitational and we look forward to seeing you on the course.

Sincerely,
Matthew Wesaw
Pokagon Band Tribal Council Chairman
CEO of the Pokagon Gaming Authority

Greetings from Four Winds Casinos

Welcome to the tenth Four Winds Invitational. The Pokagon Band of Potawatomi Indians and its Four Winds Casinos are very pleased to continue our partnership with the LPGA's Symetra Tour to bring this exciting tournament to South Bend again this year.

This year will mark the first time the Four Winds Invitational will take place at South Bend Country Club, and we couldn't be more excited about the location this year. Not only did Golf Digest rank the South Bend Country Club as the sixth best private course in Indiana, but it also hosts an annual U.S. open qualifying event and consistently provides golf enthusiasts with a unique experience.

When you're making your entertainment plans, we would love for you to visit Four Winds South Bend, which is a quick 10-minute drive from the South Bend Country Club. In addition to 1,400 games, Four Winds South Bend features award-winning dining options including our Copper Rock Steakhouse with over 200 premium wines and Kankakee Grille which offers comfort foods with a modern twist. Please join us for an evening on the Kankakee Grille patio with live entertainment every weekend.

You can also take a short 30-minute drive to Four Winds New Buffalo for more slot action and dining options. Also check out the upcoming entertainment at Four Winds New Buffalo's Silver Creek Event Center which includes Happy Together on August 13, America on September 3, Lindsey Buckingham on September 4, and George Thorogood on September 10.

When you're ready for a little relaxation, Four Winds New Buffalo has 415 luxurious hotel rooms and an outdoor oasis that features a pool, two fire pits, poolside service and The Pool Bar. Book your stay online at www.fourwindscasino.com, or call us at 866-4WINDS1 (866-494-6371).

We hope you enjoy all of the action of the Four Winds Invitational and Four Winds Casinos, and we look forward to seeing you soon.

Best Regards,
Frank Freedman

Welcome from South Bend Country Club

South Bend Country Club welcomes everyone to the Four Winds Invitational

On behalf of our members, staff, and Board of Directors it is my pleasure to welcome the 2021 Four Winds Invitational and the LPGA Symetra Tour to the South Bend Country Club.

Our membership and staff are extremely excited for the opportunity to showcase the 7th highest ranking course in the state of Indiana. We are confident our golf course, clubhouse, player lockers, and other amenities along with a staff committed to excellence will provide a memorable experience for the players, volunteers, and spectators.

We are especially happy to partner with Four Winds Casino to make this stop on the LPGA Symetra tour special and rewarding with one of the largest purses on the tour at \$200,000. In addition, we are confident the synergies between Four Winds Casino, their sponsors, the LPGA, and the South Bend Country Club will financially benefit our local community Beacon Children's Hospital with record proceeds from this annual golf event.

Thank you in advance to the many sponsors, volunteers, our staff, and Four Winds Casino for making this 2021 LPGA Symetra a special event for these aspiring ladies.

Sincerely,
Gary "Duke" Downey
Chairman
South Bend Country Club

We are excited to welcome the LPGA Symetra Tour Four Winds Invitational to South Bend, IN and South Bend Country Club for its 10th year!

South Bend Country Club: The Course

Since 1916, the South Bend Country Club has been challenging golfers and entertaining families. We have welcomed golfing greats such as Walter Hagen, Chick Evans, Harry Vardon, Gene Sarazen, Bryon Nelson, and Arnold Palmer. The 18-hole par 71 golf course was designed by Chicago-based architect, George O'Neil. Over the years, South Bend Country Club has hosted events such as The Western Open, The Western Amateur, The Women's Western Amateur, and numerous Indiana state events. At 6,600 yards, South Bend Country Club is short, but don't let it fool you. It features bent grass tees, fairways, and greens, some of the quickest you will ever play. At the same time, you'll also need to watch out for the lakes that come into play on numerous holes, as well as 52 strategically placed bunkers. Golfers of all skill enjoy South Bend Country Club and are captivated by the scenic views we have to offer.

Golf Responsibilities & Etiquette

FOR EVERY SPECTATOR

When you attend a golf tournament, there are some things you need to know. As stated on the back of your ticket, as a spectator you (1) assume all risk incidental to the game of golf and the holder's attendance at the tournament and related activities from known, unknown, obvious, or hidden conditions — including being struck by misdirected golf balls and falls on the course and surrounding areas and actions of third parties — and releases FGTA, LLC (d/b/a Symetra Tour) and its affiliates; tournaments and their host sites; sponsors; host organizations; players; volunteers; and all agents thereof from all liability resulting from attendance at the tournament; (2) grant permission to FGTA, LLC to utilize the holder's likeness incidental to any promotion of FGTA, LLC in any form of media, now known or hereafter developed; (3) agree not to transmit or facilitate transmission of any description, picture, or reproduction of any FGTA, LLC event, including scoring-related data, without the written permission of FGTA, LLC; (4) consent to the reasonable inspection of person and property for security purposes; (5) agree not to seek autographs of players during tournament rounds; and (6) agree to abide by all policies established by FGTA, LLC and the event and refrain from use of foul/abusive language or obscene gestures, or otherwise engage in inappropriate, disruptive, or illegal behavior, and that any violation related thereto may be cause for revocation of ticket and removal from the event. Prohibited items include cameras (allowed before competition days only), coolers, and firearms. Radios, signs, cell phones, and pets are also prohibited.

Also please observe any weather alerts posted in case of inclement weather.

FOR YOUNG SPECTATORS

Families are encouraged to bring their children to the tournament in the hopes of meeting one of the players. Symetra Tour professionals are very approachable and happy to give autographs or have their pictures taken with fans. But please remember, the women golfers on the tour are working. We ask that you follow these guidelines when asking a player for an autograph.

1. When you enter the tournament grounds, find a pairing sheet, which will be located at the main gate. You can use the pairing sheet to find and follow your favorite players.
2. A player who starts on Hole #1 will finish on Hole #18, and a player who starts on Hole #10 will finish on Hole #9.
3. Each round generally takes 4 hours and 30 minutes. So if a player tees off #1 at 10:00 A.M., she will usually be finishing on Hole #18 around 2:30 P.M.
4. Please DO NOT approach player during her round. If a player tees off #1 at 10:00 A.M., and you see her coming off #9 at 12:15 P.M., please do not approach her. She is still in the middle of her competitive round and needs to concentrate on her game. She is not ignoring you; she is working and appreciates that you respect that.
5. It is inappropriate to approach golfers who are still on the course.
6. The best time to catch a player is when she is coming off her final hole of the day, either #9 or #18.
7. Another good time to approach a player is when she is leaving the scoring tent after she has turned in her scorecard for the day.
8. Please be polite and considerate when approaching the players — especially if they are on the driving range or putting green. If a player is practicing before her round, this is not the best time to approach her. If a player is practicing after her round, this is a good time to approach her.
9. Have fun and bring something for the players to write with. A Sharpie or other permanent marker is best. Hats, programs, tickets, t-shirts, and pairing sheets are all excellent pieces for a player to sign.

“Maddie McCrory is someone you can always count on. Since she joined the Symetra Tour in 2018, she has exemplified compassion and dedication. Maddie has been a leader in our membership in taking initiative to be involved with Junior Clinics around the country. She is engaging with all the kids and truly is helping the tour’s mission to grow the game. Maddie works hard each week towards perfecting her own game, but also takes time to celebrate the successes of those around her. Just this year, she came back to the course to watch her college teammate Emma Broze receive her trophy and made sure Emma knew she was supported and celebrated while her family was back in her home country of France. Maddie is considerate, kind and caring to all of those around her on Tour. She genuinely and selflessly looks after her “family on the road.” We know she is more than deserving of this award, as she continues to inspire those around her.”
