WELCOME FROM THE LPGA

It's hard to believe that the Official Qualifying Tour of the LPGA rolled into the South Bend community thirteen years ago for the inaugural Four Winds Invitational. This event has become a "must-play" on what is now the Epson Tour, a stop to which players and staff members eagerly anticipate returning to each year. I'm excited to welcome the next chapter of this tournament's history as the 14th annual edition of the Four Winds Invitational returns to South Bend Country Club for the fifth consecutive season.

During this year's event, 144 athletes representing over 20 countries will tee it up in South Bend with hopes of earning a top finish and climbing the Epson Tour's 'Race for the Card' rankings. A coveted top-15 position secures players' LPGA Tour status for the 2026 season, a career-changing achievement.

The Four Winds Invitational has a rich history filled with numerous highlights and memorable moments. In 2015, Canadian teenager Brooke Henderson announced her pending stardom by hoisting the trophy. A month after her win in South Bend, she won on the LPGA and is now the winningest Canadian in Men's or Women's professional golf history with 13 victories on Tour, including the 2023 Hilton Grand Vacations Tournament of Champions! More recent champions Lilia Vu (2021) and Gabriela Ruffels (2023) have also gone on to make their mark among the best on the LPGA Tour. Vu, the 2021 Epson Tour Player of the Year, is now a five-time LPGA Tour winner, while Ruffels is enjoying a phenomenal sophomore campaign, earning a top-10 finish at the Amundi Evian Championship in July 2025.

As a Tour, we are incredibly grateful for our wonderful relationship with the Pokagon Band of Potawatomi Indians and Four Winds Casinos, whose continued support helps elevate this event year after year. We are also thrilled to continue building on our long-term relationship with South Bend Country Club. The membership and staff have been especially welcoming of the Epson Tour, and the fifth playing of the tournament at their storied venue will only strengthen that relationship.

Beyond the competition, the tournament and volunteer committees have made an impressive impact on the community, raising over \$1,000,000 for Beacon Health System and Beacon Children's Hospital. On behalf of our players, Epson, and the LPGA, it is amazing to witness the hard work of everyone who brings this special week to life.

I'll end by promising another wonderful week of golf and fun. Enjoy the tournament!

BOZHOO (HELLO) FROM THE POKAGON BAND

Greetings from the Pokagon Band of Potawatomi Indians of Michigan and Indiana and welcome to the Four Winds Invitational.

For those of you not familiar with the Pokagon Band, we have lived in the region for hundreds of years and we are one of two federally-recognized Indian Tribes in the State of Indiana. Hundreds of Pokagon Citizens reside in South Bend and we have more than 6,300 citizens that are members of our Tribe.

The Pokagon Band is one of the largest employers in the region and we own and operate three Four Winds Casinos in Michigan, and one in South Bend, Indiana as well as several other businesses through our two non-gaming economic development enterprises, Mno-Bmadsen and the Pokagon Development Authority.

We have always felt it is very important to give back to the community. One of the ways we do that is through our sponsorship of the Four Winds Invitational and we are very pleased that the tournament has returned for its 14th year.

The previous tournaments were a great success and attracted fans from throughout the region. We are extremely pleased to continue our partnership with the LPGA's Epson Tour and excited for our more recent partnership with the South Bend Country Club.

In addition, we are very excited that this year's Four Winds Invitational will offer a \$225,000 purse and to date we have offered over \$1.9 million in prize money, making the Four Winds Invitational one of the most popular events on the Epson Tour.

We hope you enjoy all of the action of the Four Winds Invitational, and we look forward to seeing you on the course.

GREETINGS FROM FOUR WINDS CASINOS

Welcome to the 14th Four Winds Invitational. The Pokagon Band of Potawatomi Indians and its Four Winds Casinos are very pleased to continue our partnership with the LPGA's Epson Tour to bring this exciting tournament to South Bend once again.

This year will mark the return of the Four Winds Invitational to the South Bend Country Club for the fifth time. Not only did Golf Digest rank the South Bend Country Club as the fifth-best private course in Indiana, but it also hosts an annual U.S. open qualifying event and consistently provides golf enthusiasts with a unique experience.

We are also very proud to have donated close to \$1,100,000 to Beacon Health System and Beacon Children's Hospital over the past thirteen years, using proceeds from the tournament. Proceeds from this year's tournament will be used by Beacon to purchase NICU2Home by AngelEye Health, which is a seamless communication and care platform for families to engage with their clinicians while in the NICU as well as during their transition from the NICU to home. Families using the NICU2Home app report a better understanding of care and their babies' progress, as well as greater confidence in caring for their babies after returning home.

When you're making your entertainment plans, we would love for you to visit Four Winds South Bend, which is a quick 10-minute drive from the South Bend Country Club. In addition to over 1,900 games, Four Winds South Bend features award-winning dining options. Guests can dine at one of six restaurants including Copper Rock Steakhouse with over 200 premium wines, Kankakee Grille which offers comfort foods with a modern twist, and Edgewater Café that features an expansive breakfast and brunch menu. Please join us for live entertainment every weekend at Kankakee Grille or C-Bar for the best local bands and DJs.

We hope you enjoy all of the action of the Four Winds Invitational and Four Winds Casinos, and we look forward to seeing you soon.

Best Regards,

**Mary Smith

SOUTH BEND COUNTRY CLUB: THE COURSE

Since 1916, the South Bend Country Club has been challenging golfers and entertaining families. We have welcomed golfing greats such as Walter Hagen, Chick Evans, Harry Vardon, Gene Sarazen, Bryon Nelson, and Arnold Palmer. The 18-hole par 71 golf course was designed by Chicago based architect, George O'Neil. Over the years, South Bend Country Club has hosted events such as The Western Open, The Western Amateur, The Women's Western Amateur, and numerous Indiana state events. At 6,600 yards, South Bend Country Club is short, but do not let it fool you. It features bent grass tees, fairways, and greens, some of the quickest you will ever play. At the same time, you will also need to watch out for the lakes that come into play on numerous holes, as well as 52 strategically placed bunkers. Golfers of all skill enjoy South Bend Country Club and are captivated by the scenic views we have to offer.

EPSON TOUR: ROAD TO THE LPGA

The Epson Tour is the official qualifying tour of the LPGA Tour and enters its 45th competitive season in 2025. With the support of entitlement partner Seiko Epson Corporation, the Tour's mission is to prepare the world's best female professional golfers for a successful career on the LPGA Tour. In the last decade, the Epson Tour has grown from 15 tournaments and \$1.6 million in prize money to \$5 million awarded across 20 events in 2025. In all, 406 LPGA Tour titles have been won by Epson Tour alumni, including 51 major championships.

GOLF RESPONSIBILITIES & ETIQUETTE

FOR EVERY SPECTATOR

When you attend a golf tournament, there are some things you need to know. As stated on the back of your ticket, as a spectator you (1) assume all risk incidental to the game of golf and the holder's attendance at the tournament and related activities from known, unknown, obvious, or hidden conditions — including being struck by misdirected golf balls and falls on the course and surrounding areas and actions of third parties — and releases FGTA, LLC (d/b/a Epson Tour) and its affiliates; tournaments and their host sites; sponsors; host organizations; players; volunteers; and all agents thereof from all liability resulting from attendance at the tournament; (2) grant permission to FGTA, LLC to utilize the holder's likeness incidental to any promotion of FGTA, LLC in any form of media, now known or hereafter developed; (3) agree not to transmit or facilitate transmission of any description, picture, or reproduction of any FGTA, LLC event, including scoring-related data, without the written permission of FGTA, LLC; (4) consent to the reasonable inspection of person and property for security purposes; (5) agree not to seek autographs of players during tournament rounds; and (6) agree to abide by all policies established by FGTA, LLC and the event and refrain from use of foul/abusive language or obscene gestures, or otherwise engage in inappropriate, disruptive, or illegal behavior, and that any violation related thereto may be cause for revocation of ticket and removal from the event. Prohibited items include cameras (allowed before competition days only), coolers, and firearms. Radios, signs, and pets are also prohibited. Also please observe any weather alerts posted in case of inclement weather.

FOR YOUNG SPECTATORS

Families are encouraged to bring their children to the tournament in the hopes of meeting one of the players. Epson Tour professionals are very approachable and happy to give autographs or have their pictures taken with fans. But please remember, the women golfers on the tour are working. We ask that you follow these guidelines when asking a player for an autograph.

1. When you enter the tournament grounds, find a pairing sheet, which will be located at the main gate. You can use the pairing sheet to find and follow your favorite players.
2. A player who starts on Hole #1 will finish on Hole #18, and a player who starts on Hole #10 will finish on Hole #9.
3. Each round generally takes 4 hours and 30 minutes. So if a player tees off #1 at 10:00 am, she will usually be finishing on Hole #18 around 2:30 pm
4. Please DO NOT approach player during her round. If a player tees off #1 at 10:00 am, and you see her coming off #9 at 12:15 pm, please do not approach her. She is still in the middle of her competitive round and needs to concentrate on her game. She is not ignoring you; she is working and appreciates that you respect that.
5. It is inappropriate to approach golfers who are still on the course.
6. The best time to catch a player is when she is coming off her final hole of the day, either #9 or #18.
7. Another good time to approach a player is when she is leaving the scoring tent after she has turned in her scorecard for the day.
8. Please be polite and considerate when approaching the players — especially if they are on the driving range or putting green. If a player is practicing before her round, this is not the best time to approach her. If a player is practicing after her round, this is a good time to approach her.
9. Have fun and bring something for the players to write with. A Sharpie or other permanent marker is best. Hats, programs, tickets, t-shirts, and pairing sheets are all excellent pieces for a player to sign.

BENEFICIARY: BEACON CHILDRENS HOSPITAL

Great golf is exciting in itself, but when you pair it with helping to address a community need, it becomes even more rewarding. As the owners of Four Winds Casinos and title sponsor for the 14th annual Four Winds Invitational, in conjunction with the LPGA, we are pleased to share that over \$1 Million has been donated to Beacon Children's Hospital over thirteen years of the Four Winds Invitational.

To date, proceeds from all associated events have helped purchase a pediatric ambulance and power-load system for Beacon Children's pediatric emergency transport; portable radios, an ultrasound machine and NICU flight incubator for MedFlight; giraffe warmers and feeding pumps for the neonatal intensive care unit and construction of the new home for Beacon Children's Hospital.

Funds raised from the 2025 Four Winds Invitational will help purchase NICU2Home by AngelEye Health, which is a seamless communication and care platform for families to engage with their clinicians while in the
